Bring your tie-dye shirt and your flower power skirt  
Cause we're gonna give peace a chance,  
With your bracelets and vest  
you'll want to look your best  
When the caller says it's time to dance.

We'll be a sensation like Woodstock nation  
Far and wide, that's how we'll be known,  
Cause in August, we'll be movin'  
So join us for some groovin'  
As we gather up at Ole Mentone.
